Circuit Mission Statement

The Calling of the Launceston Area Circuit, in keeping with that of the Methodist Church, is to respond to the Gospel of God's love in Christ and to live out it's discipleship in worship and mission. We believe this is often best done by working and thinking as a Circuit and that sometimes our response must be in ways that involve challenging our traditional responses to God's call, while caring for each other. We commit ourselves to working with our ecumenical partners and other members of our community.
